Featuring music from the Muppets, Sesame Street and Fraggle Rock.

From the silly to the sacred, Muppet music has impacted generations young and old for over fifty years. We add new music on a regular basis, keeping our extensive rotation fresh and timely.

Broadcasting live around the world since January 28, 2000. Muppet Central Radio is a TorontoCast station.

If you need help listening or have requests, please [share your feedback in the Muppet Central Forum](#).

Songs are broadcast in accordance with the legal requirements of TorontoCast, the Digital Millennium Copyright Act, and with permission from The Muppets Studio, Sesame Workshop and The Jim Henson Company. In order to comply with these broadcasting requirements, the music on Muppet Central Radio will not be made available for download in any form. Licensing and royalty fees are paid for each song per listener via TorontoCast.

Muppet Central Radio is a Canadian station owned by TorontoCast, Richmond Hill, Ontario, Canada.
